**FOLLOWING ARE
LOS ALAMITOS
RULES AND REGULATIONS**

**ANY HORSE THAT RAN AT A NON
RECOGNIZED AQHA RACE MEET OR HAS
PRIOR RACING EXPERIENCE MUST BE
REPORTED TO THE RACE OFFICE AT TIME OF
REGISTRATION. NO HORSE WILL BE
PERMITTED A STALL IF THIS REQUIREMENT
IS NOT MET. ALL HORSES MUST RACE TO
THEIR CURRENT CONDITIONS**

**HORSES THAT HAVE PARTICIPATED AT LOS
ALAMITOS MAY HAVE CONSIDERATION
OVER OTHER HORSES NOMINATED OR
INVITED TO STAKES RACES IN 2012**

STALLS

Trainers allocated stalls at Los Alamitos Race course are required to give immediate access to any horse under their supervision for purposes of inspection, examination, and/or drawing of blood for pre-performance or post performance testing by CHRB or Los Alamitos Race course veterinarians.

Horses which qualify in time trials or enter for any stakes races (futures, derby, stakes, etc) are not permitted to leave the grounds until 48 hours after the finals of the event in question. Violations will result in scratching of the horse from the finals and immediate and possibly permanent exclusion of the trainer.

Application for stalls should be submitted to Ronald Church, Racing Secretary, Los Alamitos Quarter Horse Racing Association, 4961 Katella Ave., Los Alamitos, CA 90720.

Stall applications should be received by the Racing Office no later than December 1, 2011. It is requested that horsemen not apply for stalls for horses unless they will be ready to race at the opening of the meeting.

Stalls will be granted subject to 24-hour cancellation.

STRAW WILL BE THE ONLY BEDDING MATERIAL PERMITTED.

LICENSES

The California Horse Racing Board maintains an office on the grounds of Los Alamitos. During the meeting licenses may be applied for or renewed at this office.

No horse will be permitted to start until both the owner and trainer are properly licensed. It is suggested that any owner who does not contemplate being on the grounds before the start of the meeting write directly to Los Alamitos for a license application blank.

COMPENSATION INSURANCE

The laws of the State of California require every stable to be covered by compensation insurance. Such insurance may be obtained from independent agents who are permitted access to the grounds to conduct their business with the horsemen.

TRAINING SCHEDULES

The track will be open for training between the hours of 6:00 and 10:00 a.m.
Gallop or ponying of horses the wrong way on the track is not permitted.

WORKOUTS

Two year olds and other non starters and horses not showing sufficient, satisfactory and recent past performances shall be required to work for the Starter and Clocker. Horses may be approved after showing satisfactory workouts from the gate. The horse must work using the same equipment with which it will be raced and the horse must be ridden out. Approved workouts shall appear in the official racing program. Contact the racing office for qualifying rules and standards.

BLINKER CHANGES

Trainers requesting a blinker change must first secure a card from the Starter certifying that their horse has satisfactorily broken from the gate with or without blinkers, based on the requested change. This does not necessarily mean that the change of blinkers will be allowed. The Paddock Judge with the consent of the Board of Stewards may or may not approve the change of blinkers. **BLINKER CHANGES MUST BE DECLARED AT TIME OF ENTRY.**

FLIPPING HALTERS

Flipping Halters must be approved by the Starter and the Paddock Judge. Flipping Halters, whether continued using, first time on or first time off must be declared at time of entry so that the change may be properly listed on the overnight and in the official race program.

CHANGE OF EQUIPMENT

Permission to change equipment must be secured at the time of entry. The Paddock Judge will be on duty at the Racing Secretary's office for this purpose until the close of entries each day.

ALL HORSES WILL CARRY THEIR EQUIPMENT TO THE POST.

GELDINGS

Geldings must be reported to the racing office when registration certificates are put on file. After a horse has started and is then gelded, it must be reported to the racing office and declared "first time gelding" the next time the horse is entered.

CREDENTIALS

Owner and trainer passes, when no longer required, shall be returned to the office of the Racing Secretary. If transferred, they will be taken up and the person to whom the pass was originally issued may be denied the privilege of a pass.

PAYMASTER OF PURSES

The Paymaster of Purses office will be open from 4:30 p.m. until the last race on each racing day.

All owners are required to have money on deposit to cover jockey fees prior to the starting of a horse. All purse moneys earned will be credited to the owner's account.

Prior to withdrawing any purse moneys from the owner's account, it will be necessary that the owner provide the Paymaster of Purses with his permanent address and either his Social Security or Tax I.D. number. Withdrawals may be made by the actual owners of the horses or their properly authorized agents. Only authorized agent licenses issued by the California Horse Racing Board will be recognized by the Paymaster of Purses.

RACING SECRETARY'S OFFICE REGISTRATION OF HORSES

The registration papers of all horses must be deposited with the Racing Secretary immediately.

Only registration papers showing a named sire and a named dam will be accepted. All quarter horse registration papers must be reissued by the AQHA as being "PARENT VERIFIED". Horses not having "PARENT VERIFIED" certificates will not be allowed to enter.

After horses have been registered with the Racing Secretary listing their owners, no horse will be transferred (unless claimed at this meeting) without permission of the stewards who will require a **C.H.R.B. BILL OF SALE**, signed by both the buyer and seller of the horse.

REGISTRATION PAPERS

Registration papers must show the true ownership. Any horse which has been sold or transferred must show this on the papers and this must have been duly processed by the appropriate breed Associations. Transfer blanks or bills of sale not accompanying the papers will not be recognized.

OWNERSHIP

Stables desiring to race under an assumed name must have the assumed name approved by and licensed by the California Horse Racing Board.

All other horses at this meeting must race in the name of the actual owner or owners of the horses.

Your attention is also called to the following rule:

"Absolute and bona fide ownership of every horse, including each interest and ownership, shall be stated in writing under oath in affidavit form under penalty of disqualification, when required."

HEEL NERVED HORSES

The Rules of the California Horse Racing Board require that a heel nerved horse must be reported to the Racing Secretary's office at the time it is registered for racing and the registration papers must indicate such nerving. If a heel nerving is to be performed after registration, the approval of the Board Veterinarian must first be obtained.

SPAYED MARES

The Rules of the California Horse Racing Board require that a spayed mare must be reported to the Racing Secretary's office at the time it is registered for racing and the registration papers must indicate such.

MARES IN FOAL

MARES IN FOAL MUST BE REPORTED TO THE RACING SECRETARY'S OFFICE. The Rules of the California Horse Racing Board state that no person shall enter a mare in any claiming race when such mare is pregnant, unless prior to the time of entry the owner shall have deposited with the Racing Secretary a signed agreement whereby the owner at the time of entry shall provide to the successful claimant of such mare without cost, protest or fee of any kind a valid stallion service certificate covering the breeding of the mare.

ELIGIBILITY AND ALLOWANCES

Starter Races, Plater Purses and Combination Races shall be considered races other than Claiming, except where the horse is entered in such a race for a claiming price or where the conditions state to the contrary.

Horses penalized in a race shall not be entitled to any of the allowances in such a race. Horses not entitled to the first allowance in a race are not entitled to the second and if not the second, then to no subsequent allowance unless specified in the conditions of the race.

Winners or non-winners of a stated sum, means winner or non-winner of a single race of that gross value to the first horse.

The clause, "Races when entered for...not considered", applies to both eligibility and allowances unless otherwise qualified.

Owners and trainers, when entering horses, are cautioned to check carefully as to both eligibility and allowances claimed in races. The Racing Secretary will be glad to give horsemen any information in respect to their horse that is desired, but the final responsibility for eligibility and weight carried lies with the owners and trainers.

Your attention is called to the following California Horse Racing Board Rule:

NO PENALTY FOR WINNING CERTAIN RACES AT FAIRS.

A horse which wins a race at a fair meeting in this state shall not be penalized for such winning in races run thereafter at any race meeting other than a fair meeting if the net purse to such winning horse at such fair race is \$2,750 or less. This rule shall not apply to a maiden allowance which maiden allowance shall be lost by winning of any race.

CLAIMING

Horses must be claimed in accordance with full registered ownership. If there be two or more owners of a horse through which a claim is made, all must be included in the claim and so recorded thereon.

A horse entered in a claiming race may be claimed for its entered price by **ANY** licensed horse owner who has a horse registered to race at the meeting where the claim is to be made, or by any licensed horse owner who has received a Claim Certificate from the Stewards, or by any person who has qualified for a license as a horse owner and who has received a Claim Certificate from the Stewards.

TRANSFER OF HORSES ON THE GROUNDS

The purchase or transfer of any horse on the grounds of Los Alamitos whether by private sale, claiming or public auction does not guarantee the new owner or trainer a stall for such horse unless approved by the management.

MOUTHING TO VERIFY AGE

Any horse whose age is in question may be examined by one or more Veterinarians designated by the Los Alamitos Quarter Horse Racing Association.

The usual and natural development of the mouth and teeth shall, together with such other developments of the body which these Veterinarians deem relevant, be the standards on which findings may be based.

Should such examination, in the opinion of one or more Veterinarians designated by the track fail to confirm the age which the horse is represented to be or should any doubt exist on the part of one or more of the Veterinarians designated by the track to make this examination – entry on such horse may be refused.

SCHOOLING IN THE PADDOCK

Permission to school in the paddock during the races may be obtained from the Paddock Judge.

PADDOCKING OF HORSES

All grooms should be neatly dressed in appropriate attire when taking horses to the paddock. Also pony riders taking horses to the post in the public parade should keep themselves and their mounts well groomed and their tack clean.

JOCKEY ENGAGEMENTS

Trainers must name a jockey at time of making entry.

A jockey may be named on two horses in a race provided one is on the also eligible list.

A jockey engaged to ride any horses is bound to fulfill his engagement unless excused by the Stewards. Should a rider become injured or ill on the way to the post or at the gate and the Stewards designate a substitute rider, such rider will fulfill the order of the Stewards and complete the engagement on the horse.

The attention of all jockeys and jockey agents is directed to the following California Horse Racing Board rule:

Failure to fulfill jockey agreement. "No jockey engaged for a certain race or for a specified time, may fail or refuse to abide by his agreement, unless excused by the Stewards."

IMPORTANT ADDED RACING OFFICE INFORMATION

No entry shall be received on any horse not stabled on the grounds of the association, unless its stabling elsewhere has been approved by the Racing Secretary.

The starters for a race shall be determined by lot in the presence of bona fide horsemen and the post positions shall be in the order in which they are drawn. The same method shall be employed in determining the starters and post positions in the races that are divided.

In any open race which is divided, a division of that race may be carded as a **CALIFORNIA BRED RACE**.

In races which are to be divided, horses trained by the same trainer will be separated if at all possible.

In races which have over-filled, an Also Eligible list of (4) four horses will be drawn. Should there be any declarations in the race itself, horses will be drawn into the race from the Also Eligible list.

In overnight races a maiden shall not exclude winners.

In Stakes and Overnight Handicaps, high weight horses will be preferred.

No entry shall be accepted from any stable not properly licensed.

To enter in starter races, a horse must have established a prior eligibility as a starter for the designated claiming price, and any horse claimed must have started for the new owner for such a price in order to become eligible.

All horses to be entered in a **CALIFORNIA BRED RACE** must be registered as such with the Pacific Coast Quarter Horse Association prior to being entered. If California bred races are run as open races because of a lack of California bred entries, California bred horses will be given preference.

Overnight stakes races will be treated as overnight races for declaration purposes only.

The Board of Stewards reserve the right to withdraw or scratch any horse which, in their opinion, will not qualify for the race in which it has been entered.

The Racing Secretary may refuse the entry of a horse at any time.

PREFERENCE DATE SYSTEM RULES

All foal certificates registered with the Racing Secretary prior to 5:00 p.m. December 28, 2011 will receive a registration date which is the best possible date.

All horses registered after December 28, 2011 will receive a registration date corresponding with the day the foal certificate is checked into the Racing Office. The horse will retain this date until he actually draws into a race.

Once a horse draws into a race he will receive a running date corresponding to the date of the race. Each time a horse races, his date changes to correspond with his newest running date.

Preference dates are good for any distance or any type of race for which a horse is eligible.

Horses with dates established which re-enter but do not get in a race will keep the date previously established.

Horses which scratch or are scratched will keep their race date for the day they scratch. Any horse which scratches after scratch time will receive a scratch date for the day they scratch.

Preference dates are in order of oldest date having preference. In cases where a registration, running and scratch date are all the same, the registration date takes preference over a running date and a running date takes preference over a scratch date.

Preference dates will not supersede conditions of the race, (Cal-Bred, etc).

All non-maiden races are winners preferred unless otherwise stated in the conditions. All maidens will receive the least consideration.

Horses which are placed on the Stewards', Veterinarians', Starters', Identifiers' or Paddock list will be denied entry until approved to enter. Their preference date will not be affected.

Claims, transfers or sales have no effect on preference dates, (the horse keeps its existing date) as long as the foal certificate stays in the Racing Office.

Horses will lose their dates when the foal certificate is checked out of the Racing Office.

The "INTODAY" rule will be in effect.

Exceptions may be made when in the opinion of the Stewards or Racing Secretary a horse would be unduly penalized.

IN ANY MATTER OF DISCRETION, THE STEWARDS' DECISION SHALL BE FINAL.

Stable Area entry is restricted to owners, trainers and their employees, racing officials and the working press upon presentation of proper credentials. The employees of each stable and all persons having regular business in the Stable Area must register at the Racing Secretary's office, and be issued proper credentials. Persons wishing temporary entry into the Stable Area must state their business at the Stable Office and may be granted temporary passes. NO OTHER TRASH, RUBBISH OR DEBRIS, SUCH AS CANS, BAILING WIRE, VET WRAPS, PAPER OR PLASTIC, SHOULD BE DEPOSITED IN MUCK PILES, THESE ITEMS SHOULD BE PUT IN THE TRASH CONTAINERS AT THE END OF THE BARN.

IF MUCK PILES ARE FOUND TO BE CONTAMINATED, FINES WILL BE LEVIED AGAINST THE TRAINERS WHO ARE RESPONSIBLE FOR THOSE MUCK PILES.
